NOW HIRING

LICENSED PRACTICAL NURSE (LPN)

Talbert House, Cincinnati’s leading behavioral health agency, is seeking a Licensed Practical Nurse (LPN) to assist with medication administration, health and physical screenings, patient charting, and preauthorization or precertification.

The LPN must be able to collaborate with a team of physicians, case managers and therapists to provide complete patient care. The ideal candidate will have experience in behavioral health outpatient setting and is familiar with medication assisted treatment programs.

About Talbert House In August 1965 Talbert House was founded as an experiment to reintegrate homeless ex-offenders back into the community. Today Talbert House operates multiple service areas in conjunction with its affiliate, Gateways, throughout Greater Cincinnati. The services are offered to a broad-based population with the agency’s mission in mind: to improve social behavior and enhance personal recovery and growth. Talbert House helps thousands of men, women, children, and families across Greater Cincinnati and Northern Kentucky overcome adversity to become healthy and productive citizens.
